PRESS RELEASE

19th May 2010

WHAT'S ON AT AMBERLEY MUSEUM

Military Vehicle Show

Amberley Museum and Heritage Centre, just north of Arundel, are holding their popular annual **Military Vehicle Show** this **Sunday, the 23rd of May**.

Amberley's 36-acre site on the South Downs offers an ideal location to exhibit these fine vehicles, and with forecasters predicting warm and sunny weather this weekend too, it is set to offer the perfect back drop for a wonderful day out.

Visitors to the event will have the chance to view the wide variety of historic military vehicles, dispatch motor cycles, jeeps, armoured cars and personnel carriers from before and after the Second World War. With over 100 entrants registered already, the event has grown year on year. "The Military Vehicle Show generates not only tremendous interest from visitors, but also from the enthusiasts who attend", says Paul Hashfield, Museum Director. "Interest so far in the event has been great and we hope to showcase more vehicles this year than ever before. The event really will be quite unmissable!"

Normal admission prices apply and visitors will be able to see the Museum's other exhibits on site too, which include a working vintage bus service, narrow-gauge railway, potter, stained glass maker, blacksmiths forge, print workshop, 'Connected Earth' telecommunications exhibition and much, much more, which offers a great value day out.

Further details, including an event programme, can be found through visiting the Museum's website www.amberleymuseum.co.uk or by telephoning the Museum directly on (01798) 831831.
