PRESS RELEASE

28th June 2010

WHAT'S ON AT AMBERLEY MUSEUM & HERITAGE CENTRE

Fire and Emergency Services Show
Saturday 3rd & Sunday 4th July 2010

Red Hot Action

Amberley Museum will be filled with the excitement of vintage fire engines and emergency services vehicles throughout the weekend of the 3rd & 4th July, when the Museum holds its fun packed Fire and Emergency Services Show.

Children can have a go at holding the fire hose 'squirt sessions' providing a great opportunity for a memorable photograph! A parade of exhibits will take place every day and children will get the chance to ride on and explore some enthralling machines. There will also be a variety of period fire fighting and rescue demonstrations, together with displays of fire service memorabilia and other attractions.

For those who have not visited the Museum recently it's a chance to see the new fire station that opened last year. Proudly on display at the Museum will be its latest addition to the fire station, a 1929 Dennis Pump Fire Engine. On loan from Brighton and Hove Museum's collection this splendid fire engine was the winner of the Concours D'Elegance at Beaulieu in 1976. A must see for any enthusiast.

The Museum will be open every Tuesday – Sunday, as well as Bank Holiday Mondays throughout the season. Situated within the South Downs in 36 acres of chalk quarry the Museum boasts a range of live exhibits including a working bus service and narrow gauge railway, electricity hall, BT Connected Earth plus much more.
