#### **A Mega Micro Event!**

Amberley Museum & Heritage Centre is holding its Classic Microcar & Scooter Rally on Sunday 1<sup>st</sup> August. This fun and colourful event showcases the variety and design of classic bubble cars, three-wheelers and motor scooters. In a short space of time this unique event has achieved national acclaim amongst microcar and scooter enthusiasts.

The range of vehicles on display really provides people with an opportunity to appreciate the entire scene and the entrants are always happy to provide information on their vehicles – which is often an eye-opener in itself! “Every year the event continues to amaze us with the sheer quality and rarity of the vehicles entered” comments Event Organiser, Tony Kemp, “some have really unusual features which give the vehicles big personalities!”

Amberley Museum is open every Tuesday – Sunday, as well as Bank Holiday Mondays throughout the season. The Museum is open every day during the West Sussex School Summer Holiday. Situated within the South Downs National Park in 36 acres of chalk quarry the Museum boasts a range of live exhibits including a working bus service and narrow gauge railway, electricity hall, BT Connected Earth plus much more.
